

Dear Mr. ,

Following is the information you will need to make a stock donation to Washington University.

You will need to advise your stock broker of your intentions and will need to also send a letter to Washington University to advise them of your intentions.

Your broker will need the following information to make the transfer:

DTC 0201
Institution A.G. Edwards
Acct Name Washington University
Acct Number 326-077682-68
Attention Ned Mclean 636-530-6111
Tax ID 43-065-3611

In addition, you should write a letter (sample attached) to Eric Lewis at Washington University or call him at 314-935-5761 to advise that the transfer is forthcoming and you must specifically state in your letter how you would like to designate your gift. If you would like the gift to be passed through directly to the Catholic Student Center, please advise that you would like this donation to be designated for the Catholic Student Center Gift Fund. If you would like the gift to be placed in the endowment for Catholic programming please instruct W.U. to put your gift in the Catholic Student Center Endowment Fund. Following is a sample letter that you can use. If you would kindly send me a copy of the letter, I would like to keep it for our records as well.

Thanks again for your generosity!

God bless,

Linda Domeyer
Director of Development
